CUSTOM DESIGNER WOOD LOCKERS

Constructed of industrial grade particleboard and covered with durable high pressure laminate, Salsbury 30000C series custom designer lockers are ideal for settings where a professional environment is desired. Available in sizes ranging from one to seven (7) tiers, custom designer lockers can be ordered in any combination of five (5) heights (36", 48", 60", 72" and 84"), five (5) widths (12", 15", 18", 21" and 24") and five (5) depths (12", 15", 18", 21" and 24"). Custom designer lockers are also available in six (6) standard designer colors (gray, blue, black, maple, cherry and mahogany). A wide variety of custom laminate colors are available as an option upon request on a minimum order of fifteen (15) frames - visit www.lockers.com/custom-designer-lockers for color chart. Custom designer lockers are modular allowing for a mixture of configurations. Optional matching laminated sloping hoods and side panels easily attach to custom designer lockers and provide a finished look to an individual locker or a row of lockers. Custom designer lockers include a 4" high black base. All locker doors are 3/4" deep and include a black name / number plate (custom engraving #33360 is available as an option upon request). All locker doors also include heavy duty concealed hinges and a lift up handle and recessed hasp for added security - see lock options on page 83. Custom designer lockers are available as fully assembled units only and require minor assembly - see optional fillers on page 79. To obtain a price quotation, follow the 5 easy steps on page 85.
